Disbanding Rashtriya Rifles

50. SHRIMATI VEENA VERMA:
SHRI SUSHILKUMAR SAMBHAJIRAO SHINDE:

Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that while the mandate of the Rashtriya Rifles ended on August 22, 1997, but in the absence of orders for its extension beyond that date, Rashtriya Rifles continued its operations well after this date, and

(b) whether its mandate has since been extended, if so, to what extent and the reasons for delay in issuing proper notification?

THE MINISTER OF DEFENCE (SHRI MULAYAM SINGH YADAV): (a) and (b) It is wrong to say that mandate for the Rashtriya Rifles has ended on August 22, 1997. Rashtriya Rifles was raised in 1990 and the sanction issued at that time is still valid. It is only the additional units which were raised in 1994 for a period of 3 years that require extension of their period of sanction. This does not mean that the mandate of RR as a force has expired.
